

## **PFIZER or MODERNA**

Below is a link to a free Covid-19 Vaccine and Flu clinic offered by Calvert County Health Department, and hosted by Mt. Olive United Methodist Church, **10 Fairground Road, Prince Frederick, MD 20678**

All fields with an \* (asterisk) must be filled out to continue. Links work better in Chrome. Appointment confirmation and ID will be required at the clinic. Pfizer is now approved for those 12 and up; parent or guardian consent is required on the form, but they are not required to be present at the clinic. No vaccinations will be given to anyone under 18 who does not have a confirmed consent.

PFIZER is a 2-dose vaccine series given 21 days apart; some people may be eligible for a 3rd dose or a booster dose. The 3rd/booster cannot be administered less than 4 months after a 2nd dose.

Selection of Flu vaccine, Covid vaccine, or both, is located on the LAST page of consent form; please check the box for the vaccine (s) you'd like yourself or your child to receive.

Saturday, October 2 10-12 <https://www.marylandvax.org/appointment/en/reg/0283910067>

Please allot enough time before and after the clinic for check-in, and a requested 15 minute wait time following your vaccination. You can register for V-Safe, a digital follow-up tool created by the CDC while you wait. Link is here <https://vsafe.cdc.gov/>

The EUA link regarding the vaccine is here [Pfizer COVID-19 Vaccine EUA Fact Sheet for Recipients and Caregivers](#)

Common questions regarding the vaccines are here <https://www.cdc.gov/vaccines/covid-19/info-by-product/clinical-considerations.html>

Please consult your medical provider if you have any questions or concerns regarding the vaccine.

**If you are unable to attend either clinic, but still wish to be vaccinated, visit <https://www.calvertcountycovid19.com/vaccination> to find more dates and times.**
